

" Our Natural CBD Rejuvenating Eye Gel is known to have anti-inflammatory properties which can help soothe the skin around the eyes, reducing puffiness and dark circles. CBD is an emollient, it helps to hydrate the skin and keep it soft and supple. Reducing the appearance of fine lines and wrinkles."

**DIRECTIONS:**

Apply small amount on cleansed slightly damp skin for improved absorption. Pat around the eyes. Avoid rubbing as this could damage the skin. Finish with a moisturiser and repeat daily.

*" Soothe & Reduce Puffy Eyes & Dark Circles "*

**INGREDIENTS:**

Aqua, Aloe Vera, Glycerine, Cannabidiol Extract, Polysorbate 20, Mentha Piperita Oil, Hamamelis Virginiana, Prunus Amygdalus Dulcis, Sodium Hyaluronate Hyaluronic Acid, Phenoxyethanol & Ethylhexylglycerin, Carbomer, Sodium hydroxide, Benzyl alcohol

Always patch test a new skincare product, on a small area of skin before using it more widely. If you experience any adverse side effects discontinue use and consult a healthcare professional.
